- Jan 1994 - July 1994 - He was an Honorable commissioner.

Ministry of commerce, industry, and tourism, River State.

Duties / Responsibilities

- As (Hon) Commissioner for Commerce, Industry, and Tourism his major achievements were as follows
- He successfully re-organized the ministry of commerce industry and tourism which until then was only a bureau into a standardized well-organized ministry of repute with high measures level of performance and productivity among workers.
- Reverend Dr. Nwator peace panel which was set up by the (Hon) commissioner Dr. Barinem Nubari Kiobel to investigate causes of crises between k-

Dere and Bodo city communities in Gokana and to make recommendations for achieving lasting peace. As a result of above panel's report and recommendations, peace reigned between the two communities.

- During his tenure of office as (Hon) commissioner for commerce and tourism, his high level of performance in conflict management was demonstrated through moves to returning peace to Ogoni land after the conflict with the Andonis, which led to the closure of Rivers States polytechnic Bori. He took the risk of intervening as an indigenous commissioner and with the high level of Diplomatic manoeuvres, led to the general acceptance by the locals to guarantee the security of staff, students, and all strangers at Bori and the polytechnic.
- The agreements reached with the locals and his personal pledge to the people and Rivers State government guaranteeing security for all led to the reopening of Rivers State polytechnic. The above achievement caused him being highly loved and honoured by his people, the Ogoni tribe of Rivers State of Nigeria. In addition, as a member of a four-man MOSOP committee in Kpor chapter, he also brought peace, progress, and unity to the entire village.

He also had Other official engagements / Relationships with the Rivers State Administrator Lt. Col D.M. Komo and chief Melford Okilo. As the (Hon) Minister of commerce and tourism, he was very remarkable and contributed highly toward the implementation of the national oil museum Oloibiri Project. As a good citizen of Nigeria, he contributed positively to the progress of his people and the people loved him, which led Komo and shell (SPDC) thinking he was going to be a good candidate to be used in their evil plan during their executive meeting that was conveyed at the government house. He refused to accept or implement their evil plans and the perpetrators got disappointed and decided to get rid of my husband, Ken, and the rest of them, to make it look like they were criminals. I cannot believe what is happening seeing owners of lands, resources being killed, maimed, acidized because they spoke out to possess back their freedom and wealth.

My husband's blood will continue to cry out as Abel's blood did until justice is served. I will continue fighting for justice for myself, my husband, and the oppressed, and with God's help, I shall succeed.

He was a great husband, brother, father, best friend and playmate. He was a loving guy with a good heart. He loved and respected everyone

around him. He always tells me that he does not mind if he died for his people, whenever I approach him about his security. He will laugh and said, “darling you are still a baby, I tell you what, God is our security and without Him we cannot do anything.”

DR BARINEM NUBARI KIOBEL LIKE NO OTHER

WAS A HUSBAND LIKE NO OTHER,

FATHER LIKE NO OTHER,

AN ACADEMICIAN LIKE NO OTHER,

A COMMISSIONER LIKE NO OTHER,

A PEACEMAKER LIKE OTHER,

A GRASSROOT'S DEVELOPER LIKE NO OTHER,

INCORRUPTIBLE LIKE NO OTHER,

RESILIENT LIKE NO OTHER,

HE REFUSED TO BETRAY HIS PEOPLE FOR SELFISH GAIN,

HE REFUSED TO MORTGAGE THE FUTURE OF THE UNBORN OGONI GENERATION,

HE STOOD HIS GROUND AGAINST THE INROADS OF VILLAINS,

RATHER THAN SELL HIS CONSCIENCE,

HE LAID DOWN HIS LIFE THAT HIS PEOPLE WILL LIVE AND PROSPER.

I CELEBRATE YOUR HEROISM. GREAT SON OF OGONI KINGDOM.

SMILE ON!!

Signed

Esther Kiobel
